Our Children First sponsor, the Tulare County Office of Education, facilitates what's known as the "Tulare Kings College and Career Collaborative."

***2018 College Night  
Scholarship Recipient***

***Arelli Adams***

*Harmony Magnet Academy  
Porterville Unified School District*

*Arelli has been accepted to University of California Berkeley and directly credits this acceptance into her dream college to the information she gained from attending College Night all four years of her high school career. She plans to receive her BS in Media Studies.*

## Congratulations to our Partners

**Farmersville**  
*Unified School District*

for being selected to receive a 6 year [California Gear Up](#) grant to increase student success through a combination of academic supports, professional development opportunities and family programming, in order to encourage and build a *college going culture* throughout the middle and high school experience.

---

# FRESNO STATE

continues to strengthen their partnership with

Fresno State President, **Dr. Joseph Castro**, will be visiting later this month for a Data Conversation with TK Collaborative leaders. We look forward to continuing to grow together to support Tulare Kings students in achieving their post-secondary goals!
