Bring a team of your students to compete for prizes and become eligible to apply for AWS Certification. For more information and to register your students, contact Gurminders@cos.edu

Registration Deadline is March 9!

SAME DAY. SAME PLACE. TWO AMAZING EVENTS!!

Thursday, March 22, 2018

10:00 AM - 1:00 PM

Edison Education Center, Tulare

Women in Trades Conference
Designed for young women interested in entering the building trades. Attendees will hear from journey-women and female apprentices who do this work everyday!

Apprenticeship Workshop
For any students interested in pursuing a career in the trades. Gain valuable insight on how to become an apprentice as well as the skills you'll need to be a success!

Both events are FREE to attend and will include hands-on demonstrations and informational presentations from the Central Valley Apprenticeship Coordinators in 10 different trades!
Attendees should be high school or community college students.
