

Anatomy & Physiology

Location: Zoom

Chairman:

Tim Perrotta

tperrotta@vusd.org

Mt. Whitney High School

CHECK IN STARTS: 8:30 am **CONTEST BEGINS:** 9:00 am

TIME: Roll will be taken at 9 a.m.

Tim Perrotta is inviting you to a scheduled Zoom meeting.

Topic: Anatomy and Physiology Kahoot Exam

Time: Apr 16, 2021 09:00 AM Pacific Time (US and Canada)

Join Zoom Meeting:

<https://vusd-us.zoom.us/j/99596412745?pwd=OXIFckx3bHcwRHF4VGJJBazhQMXBldz09>

Meeting ID: 995 9641 2745

Passcode: 532184

ELIGIBILITY:

Eligibility is limited to individuals. No team entries are allowed.

EXPECTATIONS:

Testing will begin in a timely fashion. Students will be able to demonstrate their proficiency in the subject of anatomy and physiology by answering multiple choice and practical questions based either on virtual lab specimens or other visual media.

SCOPE OF CONTEST:

Contestants will take an online test using Kahoot consisting of multiple-choice questions and will also identify structures on anatomical illustrations. The test will be the equivalent of a comprehensive final in Anatomy with some background in physiological concepts also included. Typical anatomy laboratory practical questioning will be used. Some questions will be related to images of actual dissected organisms, laboratory models, or other types of visual aids.

Topics to be covered could include any of the following: skeletal, muscular, digestive, circulatory, nervous, integumentary, endocrine, respiratory, and immune systems.

EQUIPMENT AND MATERIALS:

To be supplied by the Chairperson:

- Link to Kahoot

To be supplied by the contestants:

- Electronic device (computer, smart phone, etc.) capable of using Kahoot.

TIE BREAKER:

In the highly unusual likelihood of a tie, contestants will be asked a tie-breaker question by the proctor who will determine which contestant answered correctly first.
